Admissions to the MBA in International Business and the MBA in Technology & Entrepreneurship programs at ENPC School of International Management requires that you either participate in the School's internal admissions test or take the GMAT and TOEFL (or TOEIC, IELTS or CPE). Please indicate which of these tests you would like to take:

- Internal Admissions Test.** If you chose this option, you will be invited to the ENPC School of International Management for an internal assessment. This assessment consists of two short tests (a duration of approximately one hour for each) which test your numerical and quantitative reasoning skills as well as analytical and writing abilities. All tests will be conducted in English.
- GMAT and TOEFL.** If you chose this option, you must submit official GMAT and TOEFL scores. The **GMAT** score report must be sent directly to the ENPC School of International Management at **school code JZ3-F7-08**. Additionally, a **TOEFL** score must be sent by any applicant whose native language is not English or who has not received an undergraduate degree from an institution whose language of instruction is English. The score report must be sent directly to the ENPC School of International Management using our **school code 0484**. You may also submit a **TOEIC, IELTS, or CPE** (Cambridge Certificate of Proficiency in English). Please note that neither for the GMAT nor the TOEFL score reports (original or photocopy) sent directly by students to the ENPC School of International Management are NOT acceptable. To register for GMAT and TOEFL, applicants must call the regional registration center nearest them in order to set up an exam time in the city of their choice. It is possible to take both exams several times, on condition that there is at least a one-month interval between exam sittings. It is highly recommended that applicants familiarize themselves with test contents beforehand. Preparation material is available through GMAT and TOEFL (books, CD-ROMs) or can be purchased at many English-language bookstores. There is a fee for both exams.
